A LETTER

from our CEO

2022 was a year full of finding more ways to deliver the value and convenience you need while growing our support of the communities where we all live and work. We know that value, convenience and support are all vital to our mission to partner with our members to create successful financial futures. It's been a productive year, and I'm excited to document the highlights and milestones for you in this Annual Report.

We know that value is a driver that leads many to become a credit union member. Your cooperative ownership in a not-for-profit credit union gives you better rates and lower fees, and we're always motivated to find new ways to add value to your membership. This year, we reduced overdraft fees from \$32 to \$20 and began fully and automatically refunding all returned item fees. We also introduced Premium and Premium Plus Checking to help you earn higher interest on your checking account.

At Veridian, convenience means creating ease and simplicity in managing your finances. Sometimes that's the ability to complete routine transactions on your phone, and sometimes it's talking to a person face-to-face in a branch. That's why we're committed to investing in both online and mobile banking and brick-and-mortar branches. We opened two new branches in 2022 and started plans for more in the near future. We added the ability to process disputes

and report cards lost or stolen within mobile banking, and updated the navigation to make all the new additions from recent years easier to find. In June, members also gained the convenience of receiving their direct deposits up to two days early.

"

At Veridian, convenience means creating ease and simplicity in managing your finances.

Our support for our communities takes many forms every year - from financial literacy programming for nonprofit partners to scholarships, grants, donations, sponsorships and more. In 2022, we invested more than \$1.5 million in these funding streams to strengthen the communities we share, supporting more than 400 nonprofits.

All of this is possible because we have talented employees who are passionate about making a positive difference and a Board of Directors who you elect to make decisions in your best interest. Thank you for trusting us as your financial partner in 2022. I look forward to seeing what more we can achieve together in 2023.

A WORD

from our Board Chair

Cynthia Buettner, Board Chai

It's been nearly five years since you, my fellow Veridian Credit Union members, first voted to give me the honor of serving you on Veridian's Board of Directors. I'm now nearing the end of my second year serving as your Board Chair, and each year I'm more proud of the impact that the credit union difference is making for our members and communities. I know that phrases like "making a difference" can be common and vague, so I'd like to tell you more about what I mean.

Our cooperative ownership and not-for-profit structure frees us from having to choose between serving our members or satisfying shareholders. As members, we're the shareholders. Earnings are reinvested into better rates, lower fees and the development of products and services that benefit us as members and the communities where we live and work. This is the structure that allowed our members to save \$28.9 million in 2022 when compared to similar products and services at a forprofit bank. That's money that stays in each of our pockets and, therefore, is more likely to stay in our local economies.

This structure also allows us to develop tools to help our fellow members improve their financial circumstances. We can offer products like Payday Alternative Loans to keep members out of the spiral of predatory payday lenders. We can work with nonprofit partners to offer Individual Development Accounts to those working through Veridian's financial literacy curriculum to better their circumstances. And we can offer Financial Inclusion Mortgages to help put homeownership more within reach for those left behind economically, because we know that homeownership is one of the most significant tools allowing many to maintain financial stability and achieve long-term financial success. These products help our fellow members improve their financial circumstances with ripple effects that benefit our communities.

I know I speak on behalf of our entire board when I say thank you for entrusting us with the chance to help guide our credit union for the benefit of our members and communities. It's a responsibility we don't take lightly, and it's an honor to witness the impact we're able to make together from that vantage point. Thank you again for the opportunity and for your membership.

2022

Highlights

Early Release of Direct Deposit

In June, we began releasing members' direct deposits up to two days before their scheduled payday. It's a free and automatic service with no need to opt in. In total, 189,000 members began receiving their direct deposits early in 2022.

Financial Inclusion & Economic Equity

Homeownership is one of the most significant tools allowing many to maintain financial stability and achieve long-term financial success. For years, our Financial Inclusion Mortgage has put homeownership within reach for more in our communities. Veridian originated \$13,781,500 in 159 Financial Inclusion Mortgages in 2022. In December, Filene Research Institute selected Veridian to lead a Racial Economic Equity Incubator aimed at streamlining individual community partnerships into replicable programs for advancing racial economic equity across the U.S.

Kimball Branch - Waterloo

Premium & Premium Plus Checking

In December, we announced two options for new checking accounts - Premium and Premium Plus Checking. These help members to earn much higher interest rates on checking account balances.

Overdraft Fee Reduction

In July, we reduced overdraft fees from \$32 to \$20 and began fully and automatically refunding returned item fees. These are new updates to our existing menu of overdraft protection options designed to give members better control over how their account responds to a potential negative balance. Members saved \$2.4 million in the first six months of eliminating overdraft fees and refunding nonsufficient fund fees.

Online & Mobile Banking Enhancements

We added the ability to process disputes and report cards lost or stolen within online banking. In fact, we've added so many services to online and mobile banking in recent years that we redesigned the navigation in 2022 to make those additional services easier to find with a click or a tap.

New Branches

Our Dodge branch opened in Omaha in July - our sixth branch in the Omaha-Council Bluffs area. Then our Kimball branch opened in Waterloo in October. That shifted services from our former Martin Plaza branch across the street to give you more space and a better branch experience. We're also planning for three more branches to open in the near future.

AWARDS

and Recognitions

Veridian is consistently ranked among the **top 1% of credit unions in the U.S.** for returning value to our members.*

ANN DOLAN

Award Winners

The Ann Dolan Award recognizes employees from each of our regional markets annually for going above and beyond to exceed members' expectations. This award is named after retired Veridian employee Ann Dolan, who was consistently recognized for outstanding service to our members.

Central Iowa Region

Carol Andreassen & Jeff Boyer

Consumer Loan Underwriters

"Carol and Jeff prevented a large loss of funds by stopping a fraudulent \$18,000 personal loan. The scammer provided a photo ID, false tax returns and regular communication regarding the progress of the loan. Jeff and Carol each identified subtle discrepancies on the application that prompted them to dig deeper. Ultimately, they declined the application and saved the credit union from a significant loss."

East Central Iowa Region

Vivi Tanchinh

Loan Advisor 1

"While reviewing transaction history with an elderly member, Vivi identified several CashApp transactions were draining the member's account and causing financial hardship. More conversation revealed the member was a victim of elder abuse. Vivi helped the member file a police report for the stolen funds and contact their rental agency to ensure the temporary financial hardship wouldn't cost them their home."

Northeast Iowa Region

Hollie Ervin

Mortgage Lending Closing Supervisor

"Soon after her promotion to Mortgage Lending Closing Supervisor, Hollie recognized several opportunities to make innovative improvements. She quickly streamlined our construction loan funding process to make it more efficient and easier to understand. Hollie also reviewed and modified many other tasks for efficiency. She genuinely cares for coworkers and members, and strives to make our future better."

Western Iowa and Eastern Nebraska Region

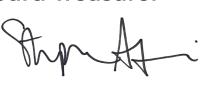

Khea Barnes

Member Service Representative

"Khea recently helped a blind, homeless member who had difficulty performing routine daily tasks. After their conversation, Khea was concerned the member wouldn't find the way to their next destination. She called a cab for the member, walked the member to the cab when it arrived and advised the driver on where the member was going."

A WORD

from our Board Treasurer

Stephanie Atkin, Treasurer

You elected each volunteer director on our board to ensure decisions at the highest level of our credit union are made in the best interest of our members and communities. As Board Treasurer, my duty is to ensure we do that while maintaining unquestionable financial security. I'm happy to report that we spent 2022 upholding the responsibilities and values you've entrusted to us.

Growth is vital to financial security, and our deposits and assets grew by 9.12% and 17.47%, respectively. The National Credit Union Administration considers credit unions with a capital ratio of 7% or greater to be well capitalized and in a strong position to serve members. In 2022, our net capital ratio reached 10.47%. Callahan & Associates, a Washington, D.C.-based firm that reports nationally on credit union performance, continues to rank Veridian in the top 1% of credit unions in the U.S. for returning value to members. In 2022, our members saved an estimated \$28.9 million in better rates and fewer fees when compared to the same products and services at a for-profit bank. That savings also benefits our local economies.

In addition to that savings for us as members, we invested more than \$1.5 million in donations, sponsorships, scholarships and grants. We partnered with organizations across our field of membership to provide financial literacy curriculum and helped remove barriers to homeownership in our communities.

We invested more than \$1.5 million in donations, sponsorships, scholarships and grants.

As a member-owned cooperative, our partnership allows us to offer you great rates and lower fees while strengthening the communities we serve. Thank you for entrusting me with the opportunity to oversee this good work in 2022.

COMMITTEE

Reports

Audit

This committee helps ensure that Veridian's financial condition is accurately represented and its assets are protected.

Committee Chair

Traci McBee

Committee Members

Pam Ayres (Secretary) Creston L. VanWey

Audit Committee Responsibilities:

- Annual review of specific board policies.
- Annual review of independent audit and exam reports.
- Review of suspicious activity reporting.
- Review and approval of annual internal audit plan.
- Review of internal audit reports.

Credit

This committee monitors lending policies and approves new loan products and services, ensuring Veridian is always responding to the changing needs of our growing membership.

Committee Chair

Cindy Sprole

Committee Members

Bill Boevers (Secretary) Emsad Begic James Kacher Bob Kressig

2022 Lending Achievements:

- Increased overall loan portfolio 34% from \$4.59 billion to \$6.16 billion with a low 0.59% delinquency ratio and 0.16% charge-off ratio.
- Originated 3,658 mortgage loans for \$773 million.
- Originated a record \$1.85 billion in indirect vehicle loans.
- Increased home equity portfolio by more than 25%.

\$28.9 MILLION

in 2022 by using products and services at Veridian compared to what they would have paid at a for-profit bank.

BOARD

of Directors

Veridian is led by an all-volunteer Board of Directors that is democratically elected by their fellow members. This ensures decisions made at the highest level of our credit union are made in members' interests.
